Student Firm Crawls

MTCPA Firm Crawls connect students and young professionals with Montana accounting firms through guided, behind-the-scenes office tours designed to strengthen recruitment, showcase firm culture, and promote the future of the profession. While the title of this event is a “Firm Crawl” - business, industry and government entities may also participate.

Why Sponsor?

A Firm Crawl sponsorship puts your firm front and center. Unlike traditional sponsorships, you’ll have meaningful face time with participants—including a dedicated lunchtime session—plus prominent recognition as the event’s headline sponsor (“Firm Crawl sponsored by ____”). Your branding appears throughout event communications and onsite, and you receive additional engagement time beyond the standard tour.

Please note: other firms will participate in each Crawl, but the sponsor receives top billing and extended access to students.

Cost

Firm Crawls take place in communities with a four-year university offering an accounting program. Sponsorship investment varies by market:

- **Helena or Butte:** \$500
- **Billings or Missoula or Bozeman:** \$1,000
- **Statewide/full year** (4-5 events): \$3,000

Student Branding Initiative

The Montana Society of CPAs is excited to launch a new branding initiative aimed at connecting with accounting students. This campaign will feature updated materials with a fresh, modern look to engage younger audiences and inspire future CPAs. Our new design and messaging will target current and prospective student members at universities across Montana and beyond, and will be lasting collateral for years to come.

We’re seeking sponsorships to help bring this campaign to life—partner with us to inspire the next generation of accounting professionals!

Supporting Partner (\$500)

- Exclusive Digital Feature: A spotlight article or interview feature on MTCPA’s website and in the student newsletter.
- Sponsored Content: A dedicated educational post or blog article featuring the sponsor’s insights, aligned with MTCPA’s goals.
