# Ad Retargeting

Ad retargeting is one of the most effective forms of digital advertising—offering you the opportunity to strategically serve highly relevant ads to the *right* audience at the *right* time.

## Step 1

Internet users  
visit the MTCPA website

## Step 2

The user exits the  
MTCPA website

## Step 3

Website visitor sees your ad  
wherever they go online.

## Step 4

Visitor clicks your ad  
and visits your website  
or landing page.

# How does it work?

Ad Retargeting uses simple Javascript code to identify visitors of **montana.cpa** and reach them with ads wherever they go online. By showing relevant, targeted ads to past **montana.cpa** visitors, you increase brand awareness and drive online engagement with your ideal customer.

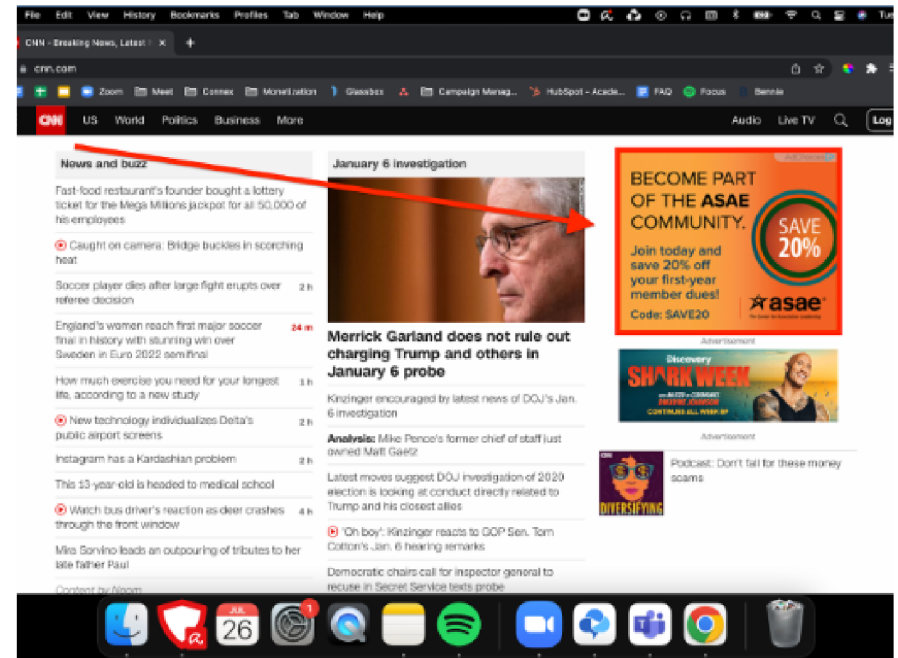

**Stay top-of-mind:**  
Keep your message in front of our audience year-round.

**Boost your event impact:**  
Reach attendees before, during, and after the event.

**Analyze your results:**  
Use real-time data & analytics to track performance and optimize your ROI.

# Choose Your Reach
